Subject: City of Salem Congestion Relief Task Force Final Report

On November 5, 2018, the final report for the City of Salem Congestion Relief Task Force was presented to the Salem City Council.

Fifteen solutions that had consensus by the Task Force and one added task to establish standards for travel time were discussed. Salem City Council recommended to move the short term solutions forward to the City Council’s Policy and Goals Session which will take place on November 19, 2018.

Listed below are the sixteen short term recommendations that will be considered in the upcoming meeting.

Operations

- Install travel time signage
- Install variable speed limit signs on Highway 22
- Improve guide signs leading up to and on the bridges
- Remove the barrier on Musgrave Avenue east of Wallace Road to allow traffic to access Wallace Marine Park
- Optimize signal timing and investigate Adaptive Signal Timing; this could include increasing pedestrian delays at signalized intersections during peak periods
- Improve response to emergencies on the bridges

Infrastructure

- Construct Marine Drive
- Add additional through and/or right turn lanes on the east and westbound Taggart Dr. approaches at Wallace Road
• Close the north crosswalk at Front St/Court St
• Limit left turns to/from Wallace Road either by installing a median barrier or by instituting peak-hour turn restrictions; also consider prohibiting left turns at Wallace Rd/Taggard Rd intersection during peak congestion periods.

**Travel Demand Management (TDM)**

• Encourage employers to implement flexible work hours
• Work with employers to develop and implement incentives for employees to bike, walk, transit, and carpool
• Provide downtown circulator bus or trolley
• Provide park and walk/bike/shuttle services at Wallace Marine Park
• Develop and implement parking management strategies

**Policies/Plans**

• Develop a Comprehensive Growth Management Plan
• Establish standards for travel time

All of the documents that are mentioned are available on the City of Salem’s website at [https://www.cityofsalem.net/Pages/congestion-relief-task-force.aspx](https://www.cityofsalem.net/Pages/congestion-relief-task-force.aspx).

Subject: Commercial Advertising Discussion

Director Jerry Thompson commented at the October 25, 2018 Board Meeting that the new vehicles look really nice without advertising and wondered if there should be consideration of not advertising on the new buses when they go into service. As a result staff has prepared some information to assist the Board in a discussion about commercial advertising on the District’s property, specifically the new vehicles.

In August 2017, Salem Area Mass Transit District contracted with Stott Outdoor Advertising to manage commercial advertising on the District vehicles.

The advertising revenue for the first year was projected at $174,000; if realized, the 37.5 percent revenue share estimate to SAMTD would be $65,250; and the guaranteed payment was $84,000 for the first year.

The SAMTD Board of Directors has established three committees to act in an advisory capacity to the Board. Below is an explanation of various action the Board will take at the December Board meeting.

SPECIAL TRANSPORTATION FUND ADVISORY COMMITTEE
The STF Advisory Committee (STFAC) shall have the number of members determined, from time to time, by the SAMTD Board according to Section 2. Appointments and Terms of Service in the STFAC Bylaws.

The Board will reappoint four existing members to an additional term.

CITIZENS ADVISORY COMMITTEE
The Citizens Advisory Committee (CAC) was reestablished in 2018. According to the Bylaws for the CAC under Article 3 -Membership and Terms of Appointment
- Members are appointed by the Board for a term of two years; and may only serve two consecutive two-year terms
- The CAC is composed of nine (9) community representatives - seven members are recommended by the seven members of the Board and two members are chosen from a slate of candidates who apply for a position
- CAC terms begin in the month of January and end in the month of December
- In its initial year, all nine of the CAC members were appointed by the Board in 2018
The Chair and Vice-Chair of the CAC are appointed on an annual basis by the Board.

- The Chair and Vice Chair serve for a term of 12 months, but for no more than two consecutive terms
- The CAC may recommend to the Board CAC members to serve as Chair or Vice Chair
- Appointments are to be made every December (or in the meeting month closest to the end of the calendar year) to become effective upon the expiration of the Chair's and Vice-Chair's terms.

The Board will take action to stagger the terms of the existing members to provide continuity over time and ensure that the terms of office do not expire at the same time. The Board will also appoint a Chair and Vice-Chair for calendar year 2019.

STATEWIDE TRANSPORTATION IMPROVEMENT FUND ADVISORY COMMITTEE

The STIF Advisory Committee (STIFAC) was formed in July 2018 to advise and assist the SAMTD governing board, as the qualified entity, in prioritizing the Projects to be funded as part of the District's STIF Plan related to the enhancement of local and regional public transit services provided within Marion and Polk Counties.

ARTICLE II – APPOINTMENT, MEMBERSHIP, QUALIFICATION, AND TERMS

Section 1. Appointment and Membership states that members of the STIFAC are appointed by the SAMTD Board of Directors, and serve at the pleasure of the Board. The STIFAC is composed of no less than seven (7) members and no more than eleven (11) members. Except in the case of the initial formation of the STIFAC, Section 3. Terms of Service states that committee members shall serve for a term of two years, commencing on July 1. Members are eligible for re-appointment for up to two consecutive terms. Terms will be staggered so that no less than one-third and not more than one-half of the voting members have a term that expires in the same year.

At the time of the initial formation of the STIFAC, the Board will determine by lot which of the members will be appointed to a one year term and which members will be appointed to two year terms, so that the terms of office of the initial members of the STIFAC will be staggered.

The Board will take action to stagger the terms of the existing members to provide continuity over time and ensure that the terms of office do not expire at the same time.
