#### Next Regular Board Meeting Date: Thursday, June 27, 2019

This is an open and public meeting in a place that is ADA accessible. With 48 hours of notice, auxiliary hearing aids and services, and alternate formats are available to individuals with limited English proficiency. Requests can be made directly to the Clerk of the Board by phone at 503-588-2424 or with the assistance of TTY: Oregon Relay Services at 1-800-735-2900 (or 711). Cherriots administration office hours are Monday-Friday from 8:00 AM to 5:00 PM.

For an electronic copy of the Board's agenda packet, go to www.cherriots.org/board.

Esta es una reunión pública y abierta en un lugar al que se puede acceder por ADA. Con 48 horas de anticipación, los audífonos y servicios auxiliares y los formatos alternativos están disponibles para personas con dominio limitado del inglés. Las solicitudes se pueden hacer directamente al Secretario de la Junta por teléfono al 503-588-2424 o con la asistencia de TTY: Servicios de retransmisión de Oregón al 1-800-735-2900 (o 711). El horario de la oficina de administración de Cherriots es de lunes a viernes de 8:00 AM a 5:00 PM.

Para obtener una copia electrónica del paquete de la agenda de la Junta, vaya a www.cherriots.org/board.

# Salem Area Mass Transit District Board of Directors

#### ~ WORK SESSION ~

April 8, 2019

Courthouse Square – Senator Hearing Room 555 Court Street NE, Salem, Oregon 97301

#### **MINUTES**

PRESENT: President Robert Krebs; Directors Jerry Thompson, Kathy Lincoln, Colleen Busch,

Board Doug Rodgers (arrived 5:43 p.m.) and Marcia Kelley; ABSENT: Steve Evans

Staff Allan Pollock, General Manager; David Trimble, Chief Operating Officer; Al McCoy,

Director of Finance/CFO; Patricia Feeny, Director of Communication; Paula Dixon, Director of Administration; Steve Dickey, Director of Transportation Development; Group Thompson, Maintenance Manager; Linda Galeazzi, Executive Assistant

Gregg Thompson, Maintenance Manager; Linda Galeazzi, Executive Assistant

**Guests** No guests

1. CALL TO ORDER 5:30 PM

President Bob Krebs called the work session to order at 5:30 p.m.

#### 2. SAFETY MOMENT

Mr. Pollock shared the *Safety Moment* for the month of April about slips, trips and falls that can happen when walking on carpeted surfaces to tile floors. Missteps may also occur when getting on and off a bus. Be sure to use the handrails that are provided.

#### 3. PRESENTATION

#### **Renewable Natural Gas**

Staff report: Oral Update

**Presenter:** Gregg Thompson, Maintenance Manager

David Trimble, Chief Operating Officer

Mr. Thompson spoke about the renewable natural gas (RNG) that comes from organic sources. Natural gas consists largely of methane; biogas typically consists of methane and carbon dioxide. Biogas is cleaned and conditioned in order to produce RNG. By capturing more greenhouses gases than it emits, RNG is considered carbon-negative and is processed interchangeably with traditional pipeline-quality natural gas to ensure the safe and reliable operation of the fixed route fleet.

RNG producers receive CO2 Abatement and Carbon Credits when they can show the fuel produced is being used in vehicle fleets. The producer shares a percentage of the revenue received because the credits cannot be generated without the vehicle fleets. An RNG broker connects RNG producers with RNG users. The benefit to the District would be financial and further their goal to be environmentally friendly. The District would be certified as an "off-user" to generate the credits used by a broker. Using current natural gas therms, estimates for revenue have been \$100,000 - \$120,000 per year.

Maintenance has been working on vehicle strategies and capital planning for the next two years; and have been conducting research into the RNG process before moving in that direction.

Follow-up: Staff will look into both the fixed cost and variable revenue per therm

when drafting an RFP for a contract.

#### 4. DISCUSSION

# a. Service Enhancement

**Staff report:** Oral Update

Presenter: Allan Pollock, General Manager

Mr. Pollock reported on the following. Mr. Pollock attended the Joint Committee on Transportation meeting where he, and representatives from Coos County Area Transit (CCAT) and TriMet testified about their agencies' plans for the new STIF funding.

The Board will receive a detailed briefing at the May 13 work session on the roll out of public education for the new service in September.

The recruitment and selection process for new hires continues. Many interviews were conducted by staff and another training class for transit operators is beginning. In response to questions asked by the Board, Mr. Pollock explained that once the drivers go through training class, they drive. Trainers go with the drivers on the buses to ride along. New drivers start by covering for vacations schedules.

The District submitted their Statewide Transportation Improvement Fund discretionary grant application. It will be the end of summer before the District will know whether it will be approved or not. Director Kelley spoke about the Area Commission on Transportation's procedure for the STIF discretionary grant process; noting that all of the projects were moved forward with the exception of a request from Cascade West Council of Governments for a feasibility study and operation of their project.

Follow-up:

## b. Review of Environmental Policy Statement

**Staff report:** Pages 1-4 of the agenda

Presenter: Allan Pollock, General Manager

The District's sustainability committee oversees the business practices of the District from a sustainability perspective. As part of the committee's annual work plan, they drafted an environmental sustainability policy statement for the Board to review and comment on.

Follow-up:

The sustainability committee will take the feedback received from the Board to finalize a proposed statement and present it to the Board for action at the April 25, 2019 regular meeting. In addition, staff will investigate LEED certification for the Keizer Transit Center, and check to see if Courthouse Square needs to be recertified. Mr. Pollock will follow up with the Condo Board at their next meeting.

#### c. Board Protocol

Staff report: Pages 5-6 of the agenda

Presenter: Allan Pollock, General Manager

Board members took time to review the protocol stated in the Board's Bylaws under *Rule 17-1 Conduct of Meetings – Presiding Officer* for the appropriate procedures during the public comment period scheduled for each board meeting with the increase in public comment activity.

President Krebs advised that members of the board who have issues to be addressed at a board meeting should let him and Mr. Pollock know in advance.

Mr. Pollock noted that work sessions are held to educate the board on upcoming action items, and to find out what information the board needs to make informed decisions. **Follow-up:** 

#### 5. GENERAL MANAGER COMMENTS

**Staff report:** Pages 7-12 of the agenda

Presenter: Allan Pollock, General Manager

Board members reviewed a draft agenda for the April 25, 2019 board meeting, the Board's calendar of scheduled meetings and events and upcoming agenda items for Board review or action. Mr. Pollock reminded the Board that there will not be a budget committee orientation this year; instead the first budget committee meeting is scheduled for May 2. Staff will send out a reminder email to the budget committee with that information. **Follow-up:** 

# 4. WORK SESSION ADJOURNED

6:27 PM

Submitted by:
Linda Galeazzi, CMC
Executive Assistant/Clerk of the Board

# **BOARD MEETING MEMO**

Agenda Item E.2.a

**To:** Board of Directors

**From:** Linda Galeazzi, Executive Assistant / Clerk of the Board

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Adoption of the FY 2020 Board Meeting Dates

#### **ISSUE**

Shall the Board adopt the Fiscal Year 2020 Board Calendar for regular board meetings and work sessions as shown in Attachment A?

#### **BACKGROUND AND FINDINGS**

Under Rule 11 of the Bylaws, it states that the Board will hold regular meetings on the evening of the fourth Thursday of each month except for meetings announced in advance. When the day fixed for any regular meeting falls upon a day designated by law as a legal or national holiday, such meeting shall be held on another date and time designated by the Board. The start time for Board meetings has been 6:30 p.m.

Due to the Thanksgiving and Christmas holidays, past practice has been to schedule eleven meetings in the fiscal year by cancelling the November Board meeting and rescheduling the December meeting to the second Thursday of the month. In FY 2020, Thanksgiving Day is Thursday, November 21 and the November Board meeting falls on Thursday, November 28, 2019. The December Board meeting falls on December 26, 2019.

Work sessions have typically been scheduled on the second Monday of each month at 5:30 p.m. The work session scheduled on Monday, November 11, 2019 is a District holiday in observance of Veteran's Day. Past practice has been to choose another date in the month, i.e., Monday, November 4 or Tuesday, November 12, 2019. In addition, the American Public Transportation Association's Annual Meeting is scheduled for October 13-16, 2019 and the October work session is scheduled on Monday, October 14, 2019.

#### **FY 2020 HOLIDAY AND DISTRICT EVENTS**

#### 2019

Thu, Jul 4 Holiday: Fourth of July
Mon, Sep 2 Holiday: Labor Day

Oct 13-16\*
 APTA TRANSform Conference (Annual Meeting)

Mon, Nov 11\* Holiday: Veteran's Day
 Thu, Nov 21 Holiday: Thanksgiving Day

• Wed, Dec 25 Holiday: Christmas

#### 2020

Wed, Jan 1 Holiday: New Year's Day
 Mon, Feb 17 Holiday: President's Day
 Mar 15-17 APTA Legislative Conference
 May 15-19 APTA International Bus Roadeo
 May 17-20 APTA Mobility Conference
 Mon, May 25 Holiday: Memorial Day

#### FINANCIAL IMPACT

There is no financial impact.

#### RECOMMENDATION

Board members reviewed the board's draft meeting calendar at the May 13, 2019 work session, and proposed that the Board maintain an eleven (11) board meeting schedule; and reschedule the October work session to the first Monday in October – October 7, 2019; and reschedule the November work session to Tuesday, November 12, 2019 as is shown in Attachment A.

#### PROPOSED MOTION

I move that the Board adopt the schedule of board meeting and work session dates for FY 2020 as shown in Attachment A.

# **BOARD MEETING MEMO**

Agenda Item G.1

**To:** Board of Directors

**From:** Scott Kirkland, Network Administrator

Chip Colby, IT Manager

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Storage Arrays for Backups

#### **ISSUE**

Shall the Board authorize the General Manager to execute the purchase of two data storage arrays in the amount of \$183,565.44 from CDW-G, for the purpose of storing and protecting backups of all District data?

#### BACKGROUND AND FINDINGS

The District's current capacity to store backups of data and systems is limited to storing one backup per day for five days.

Prioritizing data integrity is essential to protecting the District in the event of system failure, natural disaster, or malicious intent. As part of the District's information technology (IT) planning efforts, staff works to meet industry best practices for data retention and protection. This consists of:

- Three backups per day (one every 8 hours)
- 30 days' worth of backups on site
- Two days' worth of backups stored offsite
  - o CH2 data stored at Del Webb, Del Webb data stored at CH2

Moving the District to these industry best practices reduces the risk of data loss. One backup per day is a risk of losing a maximum of 24 hours of data. Three backups per day, limits the data loss risk to a maximum of 8 hours.

This project was competitively bid on ORPIN as ITB 19-021 Storage Array for Backups. The solicitation received four bids.

#### FINANCIAL IMPACT

The funding for the purchase of \$183,565.44 is included in the FY2018-2019 Adopted Budget in the Capital Projects Fund. The Backup Storage project is funded by federal grant with local match.

### RECOMMENDATION

Staff recommends that the Board authorize the General Manager to execute the purchase of two data storage arrays in the amount of \$183,565.44 from CDW-G, for the purpose of storing and protecting backups of all District data.

#### PROPOSED MOTION

I move that the Board authorize the General Manager to execute the purchase of two data storage arrays in the amount of \$183,565.44 from CDW-G, for the purpose of storing and protecting backups of all District data.

# **BOARD MEETING MEMO**

Agenda Item G.2

**To:** Board of Directors

**From:** Ted Stonecliffe, Transit Planner II, Programs

Steve Dickey, Director of Transportation Development

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Letter of Support for SAMTD to Apply for a Transportation and Growth

Management Grant

#### **ISSUE**

Shall the Board provide a letter of support to the Oregon Transportation and Growth Management (TGM) program for the application Salem Area Mass Transit District (SAMTD) is submitting for a grant to complete a planning project that would create a new 20-year long-range plan for Cherriots Local and Regional services?

#### **BACKGROUND AND FINDINGS**

SAMTD is applying for a TGM program grant to create a new long-range transit plan to replace its existing 20-year long-range plans for the Cherriots Local and Regional services. The Long-Range Transit Plan (LRTP) will strategically lays out a clear understanding of the existing conditions and our responsibilities to the community. The plan will identify future uncertainties that will challenge how Cherriots operates and provides services. It then will establish a framework of goals, policies, and strategies to address those challenges and suggest performance measurements to track progress.

The project cost estimated at \$200,000 would support a comprehensive analysis of all Cherriots services in Marion and Polk counties, along with public outreach that would help to inform the final 20-year planning document.

Creating a new LRTP to replace the current planning documents for the Cherriots Local and Regional bus systems is essential, especially with the onset of new public funds from the Statewide Transportation Improvement Fund (STIF). The current planning documents for the local and regional services were completed in 2004 and 2013 respectively. There should be a major update every four or five years in order to update maps and gather public feedback on priorities, which may have shifted in the years that have passed.

SAMTD has submitted applications for TGM grant funds every year since 2016, but has been unsuccessful. However, staff have received positive feedback from TGM program staff from the pre-application submitted on February 27, 2019. Without a clear plan to follow, the new STIF dollars have a higher likelihood of not meeting the most crucial needs of our customers and the general traveling public.

A draft of the letter is provided as **Attachment A**. As of May 16, 2019, the following cities have written letters of support. These are provided in **Attachment B**: City of Dallas, City of Keizer, City of Mt. Angel, City of Salem, City of Silverton, and the City of Stayton.

#### **FINANCIAL IMPACT**

There is no financial impact in this request.

#### **RECOMMENDATION**

Staff recommends that the Board provide a letter of support to the Oregon Transportation and Growth Management (TGM) program for the application Salem Area Mass Transit District (SAMTD) is submitting for a grant to complete a planning project that would create a new 20-year long-range plan for Cherriots Local and Regional services.

#### PROPOSED MOTIONS

I move that the Board provide a letter of support to the Oregon Transportation and Growth Management (TGM) program for the application Salem Area Mass Transit District (SAMTD) is submitting for a grant to complete a new 20-year long-range plan for Cherriots Local and Regional services.

Cindy Lesmeister
Transportation and Growth Management Program
Oregon Department of Transportation, Mill Creek Building
555 13<sup>th</sup> St NE, Suite 2
Salem, OR 97301

RE: TGM grant application titled "Cherriots 20-Year Transit Development Plan"

Dear Ms. Lesmeister,

This letter is in support of the Transportation Growth Management (TGM) Program application submitted by Salem Area Mass Transit District (SAMTD) referenced above for the 2019 grant cycle. On behalf of the SAMTD Board of Directors, I am writing this letter to reinforce the board's position in strong support of creating a new Long-Range Transit Plan to replace the District's current 20-year planning documents for Cherriots Local and Regional services in Marion and Polk counties, including the Salem-Keizer urbanized area. The project cost estimated at \$200,000 would support a comprehensive analysis of all Cherriots services in Marion and Polk counties, along with public outreach that would help to inform the final 20-year planning document.

Creating a new plan to replace the current planning documents for the Cherriots Local and Regional bus systems is essential, especially with the onset of new public funds from the Statewide Transportation Improvement Fund (STIF). The current planning documents for the local and regional services were completed in 2004 and 2013 respectively. There should be a major update every four or five years in order to update maps and gather public feedback on priorities, which may have shifted in the years that have passed.

SAMTD has submitted applications for TGM grant funds every year since 2016, but has been unsuccessful. The board's position remains supportive of a

project to plan for increased use of transit in the urbanized area, especially as new funding continues to flow in to SAMTD, year after year. Without a clear plan to follow, those dollars have a higher likelihood of not meeting the most crucial needs of our customers and the general traveling public.

We hope the TGM Program will fund this effort to plan for a robust, safe, and reliable public transportation network for Marion and Polk counties over the next twenty years. The economic and mobility benefits of public transit are substantial, and a strong plan is needed to guide transit's development. This effort will ensure the public investment is maximized and supports the continued growth of public transit in the mid-Willamette valley.

Sincerely,

#### **Bob Krebs**

RE: TGM grant application titled "Cherriots 20-Year Transit Development Plan"

Dear Ms. Lesmeister,

This letter is in support of the Transportation Growth Management (TGM) Program application submitted by Salem Area Mass Transit District (SAMTD) referenced above for the 2019 grant cycle. On behalf of the City of Keizer, I am writing this letter in strong support of funding the grant for preparing a 20-year plan for Cherriots transit services in Marion and Polk counties, including the Salem-Keizer urbanized area. The project cost estimated at \$200,000 would support a comprehensive analysis of all Cherriots services in Marion and Polk counties, along with public outreach that would help to inform the final 20-year planning document.

Updating the current planning documents for the Cherriots Local and Regional bus systems is essential, especially with the onset of new public funds from the Statewide Transportation Improvement Fund (STIF). The current planning documents for these services were completed in 2004 and 2013 respectively. Periodic updates needed for current service, along with the long awaited return of Saturday and later evening service this fall, make this planning work very timely.

The City of Keizer's position remains supportive of plans that make the use of transit in the urbanized area a practical and reliable transportation option for our residents. With a clear plan to follow, increased funding will be well invested in providing quality services.

We hope the TGM Program will fund this effort to plan for a robust, safe, and reliable public transportation network for Marion and Polk counties over the next twenty years. The economic and mobility benefits of public transit are substantial and a strong plan is needed to guide transit's development. This effort will ensure the public investment is maximized and supports our partner, SAMTD, in continuing to provide quality public transit.

Sincerely,

Cathy Clark, Mayor clarkc@keizer.org

On behalf of the City of Silverton, I am writing this letter to reinforce the city's position in strong support of preparing a 20-year plan for Cherriots transit services in Marion and Polk counties, including the Salem-Keizer urbanized area. The project cost estimated at \$200,000 would support a comprehensive analysis of all Cherriots services in Marion and Polk counties, along with public outreach that would help to inform the final 20-year planning document.

Updating the current planning documents for the Cherriots Local and Regional bus systems is essential especially with the onset of new public funds from the Statewide Transportation Improvement Fund (STIF). The current planning documents for these services were completed in 2004 and 2013 respectively, and there should be a major update every four or five years in order to update maps and gather public feedback on priorities, which may have shifted in the five years that have passed.

SAMTD has submitted applications for TGM grant funds every year since 2016, but has been unsuccessful. The City of Silverton's position remains supportive of a project to plan for increased use of transit in the urbanized area, especially as new funding continues to flow in to SAMTD, year after year. Without a clear plan to follow, those dollars have a higher likelihood of not meeting the most crucial needs.

We hope the TGM Program will fund this effort to plan for a robust, safe, and reliable public transportation network for Marion and Polk counties over the next twenty years. The economic and mobility benefits of public transit are substantial and a strong plan is needed to guide transit's development.

This effort will ensure the public investment is maximized and supports the continued growth of public transit, which we support.

Sincerely,

Christy S. Wurster

RE: TGM grant application titled "Cherriots 20-Year Transit Development Plan"

Dear Ms. Lesmeister,

This letter is in support of the Transportation Growth Management (TGM) Program application submitted by Salem Area Mass Transit District (SAMTD) referenced above for the 2019 grant cycle. On behalf of the City of Stayton, I am writing this letter to reinforce the city's position in strong support of preparing a 20-year plan for Cherriots transit services in Marion and Polk counties, including the Salem-Keizer urbanized area. The project cost estimated at \$200,000 would support a comprehensive analysis of all Cherriots services in Marion and Polk counties, along with public outreach that would help to inform the final 20-year planning document.

Updating the current planning documents for the Cherriots Local and Regional bus systems is essential especially with the onset of new public funds from the Statewide Transportation Improvement Fund (STIF). The current planning documents for these services were completed in 2004 and 2013 respectively, and there should be a major update every four or five years in order to update maps and gather public feedback on priorities, which may have shifted in the five years that have passed.

SAMTD has submitted applications for TGM grant funds every year since 2016, but has been unsuccessful. The City of Stayton's position remains supportive of a project to plan for increased use of transit in the urbanized area, especially as new funding continues to flow in to SAMTD, year after year. Without a clear plan to follow, those dollars have a higher likelihood of not meeting the most crucial needs.

We hope the TGM Program will fund this effort to plan for a robust, safe, and reliable public transportation network for Marion and Polk counties over the next twenty years. The economic and mobility benefits of public transit are substantial and a strong plan is needed to guide transit's development. This effort will ensure the public investment is maximized and supports the continued growth of public transit, which our community supports.

Sincerely,

Keith D. Campbell City Manager

## **BOARD MEETING MEMO**

Agenda Item H.1

**To:** Board of Directors

**From:** Stephen Dickey, Director of Transportation Development

**Thru:** Allan Pollock, General Manager

**Date:** May23, 2019

**Subject:** City of Salem Congestion Relief Task Force Update

#### **ISSUE**

Shall the Board receive an update on the City of Salem Congestion Relief Task Force including action items identified that involve Cherriots and Cherriots Trip Choice?

#### **BACKGROUND AND FINDINGS**

In November of 2017, the City of Salem formed a Congestion Relief Task Force to find ways to alleviate traffic in the downtown project area. This area in particular had significant interest in traffic congestion related to the ability to improve travel across the Marion Street and Center Street bridges. The task force considered many different options, and initially took the approach that no idea should be left out. Once the ideas had been collected it was evident that some of the ideas were not realistic, were too costly, or would take a significant amount of time to complete before any benefit would be seen.

The task force then went through a vetting process to develop a short-list of potential projects that could be implemented in a reasonable period of time, would show the potential for some benefit, and could potentially be considered reasonable in cost. Two of the projects involve Cherriots and Cherriots Trip Choice services.

On April 23, 2019, Transportation Planning Manager, Julie Warnke and Assistant Public Works Director, Robert Chandler from the City of Salem met with General Manager, Allan Pollock and Director of Transportation Development, Stephen Dickey to discuss these options. In the following paragraphs are descriptions of the projects and details that were discussed at the April 23<sup>rd</sup> meeting.

## **Project 1 - Downtown Circulator Bus or Trolley**

One of the ideas was to provide a downtown circulator bus or trolley. As part of the discussion, Cherriots staff recommended doing a study to reach an agreement on whether this is feasible.

Questions were raised in regard to funding options. The following were matters considered:

- Could Urban Renewal fund the City portion of the project? Project limits would extend outside Riverfront Downtown URA. The Central Salem Mobility Study was cited as an example where the City of Salem combined UR and gas tax funding for a project that was larger than the URA.
- Can gas tax be used for feasibility study? (not likely)
- Grants?
  - o TGM?
  - o SKATS?
  - o Other transit funding opportunities? STIF??

The feasibility study would need to look at:

- Frequency (Cherriots estimates a minimum of every 7 mins.)
- Route(s):
  - o One or more?
  - o Where does it go, what are stops?
  - o Does it go into west Salem?
- Impacts of congestion on routes
- What about future street system changes (one-way to two-way conversions)?
- Costs capital and operating

# **Proposed Timeline:**

- FY20 prep develop scope, cost estimate, funding agreement, and issue RFP
- FY21/22 Complete the plan
- FY23 Budget/prepare
- FY24 Implement

At the conclusion of this part of the discussion, it was agreed that Cherriots will develop a draft outline of the scope. The City of Salem will develop a rough outline for an agreement. There was discussion of a 50/50 split on the cost of the study with Cherriots being the lead agency. A very rough estimate is that it would cost in the range of \$100-\$150,000 and take 12-18 months to complete. A part of the agreement

would be written that if one or the other party is not able to secure funding, the project doesn't move forward.

## **Project 2 - Commute Trip Reduction**

The Congestion Relief Task Force recommended that the City "encourage employers to implement flexible work hours" and "work with employers to develop and implement incentives for employees to bike, walk, transit, and carpool."

A question was raised as to whether the City is considering requiring commute trip reduction? And could the City even require it of Marion County and the State? A commute trip reduction program in the Portland metro area is mandated by the State due to air quality. It was also cited that commute trip reduction in California is a state requirement. The State may be in a better position to require this.

City of Salem staff proposed two actions for Council consideration: (1) implement trip reduction strategies among all or a subset of employers in Salem through ordinances; or (2) implement strategies first with the City's municipal work force.

During the discussion, services that Cherriots already offers through the Trip Choice program were considered. Also, the city management could put added focus on their own agency if they want to revamp/reinvigorate the Smart Commuter Program. As part of this discussion, the Cherriots Group Bus Pass was considered as an option to the city paying for employee's bus passes. The City could pay for approximately 154 employees to have monthly bus passes for the same cost as the Group Bus Pass Program that would cover all 1,200 employees. Another alternative would be for the City to provide a partial subsidy for purchase of bus pass. City staff will need to return to the City Council for direction on how to proceed.

In addition to the Congestion Relief Task Force, the City of Salem convened a Public Transit Committee to investigate potential ways for the city of Salem to support the public transportation system, and advise the City on policies and actions to be adopted and implemented by the City to improve public transportation in the community. The committee was formed on May 22, 2017 and held their final meeting on October 23, 2018. The recommendations presented by the committee were as follows:

- 1. Prioritize transit-supportive considerations as part of updating the Salem Comprehensive Plan, with an emphasis on the transit core network.
- 2. Review and update the Employee Smart Commuter Program to encourage City employees to use transit and other non-auto modes of transportation.

- 3. Work with Cherriots to update the 2009 Memorandum of Understanding (MOU) and develop a common understanding of how the City and Cherriots will work together.
- 4. Review 2003 Intergovernmental Agreement (IGA) with Cherriots and report back to Council regarding appropriate action.
- 5. Coordinate with Cherriots to identify and implement projects to improve transit time reliability.
- 6. Evaluate the feasibility of a downtown circulator bus.

Staff from Cherriots and the City of Salem are actively working to be a cooperative partner in helping the City of Salem be successful in fulfilling the recommendations of both the Congestion Relief Task Force and the City of Salem Public Transportation Committee. As a way to continue this discussion, Cherriots and City of Salem staff agreed that regularly scheduled meetings between staff would be beneficial in the future. Julie Warnke and Stephen Dickey will coordinate scheduling these meetings.

# **BOARD MEETING MEMO**

Agenda Item No. H.2

**To:** Board of Directors

**From:** Jeremy Jorstad, Transit Planner II

Chris French, Senior Planner

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Performance Report – FY19 Q3

#### **ISSUE**

Shall the Board receive the quarterly information briefing on Cherriots services for the third quarter of FY19?

### **BACKGROUND AND FINDINGS**

Performance measures (daily average revenue hours, daily average revenue miles, and daily average boardings) for the third quarter of Fiscal Year 2019 (FY19 Q3) are included in Attachment A. FY19 Q3 began January 1, 2019 and ended March 31, 2019. All data are compared to the previous fiscal year, FY18 Q3. Year-to-date totals (total revenue hours, total revenue miles, and total boardings) are also included in Attachment A and are gathered from FY19 Q1 through Q3 and compared to those in the same time period of FY18. The data for these measures are derived from adjusted Trapeze schedules, vehicle fareboxes, rider counting systems, and reservation software (Route Match).

## **Revenue Hours, Revenue Miles, and Boardings**

#### **Cherriots Local**

Includes local bus service, local commuter express service, and Qualified Human Service Organization routes.

- Revenue Hours Up 2.0% (13.3 Revenue Hours/Day)
  - o *Year-To-Date Total* Up 3.2 % (125,120 Total Revenue Hours)
- Revenue Miles Up 1.7% (142.1 Revenue Miles/Day)
  - o Year-To-Date Total Up 2.8% (1,582,788 Total Revenue Miles)
- Boardings Down 3.3% (-389.9 Boardings/Day)

Year-To-Date Total – Down 1.4% (1,432,053 Total Boardings)

## **Cherriots Regional**

Includes regional commuter express routes and a regional flex zone.

- Revenue Hours Up 10.9% (7.1 Revenue Hours/Day)
  - o *Year-To-Date Total* Up 8.0% (13,314 Total Revenue Hours)
- Revenue Miles Up 4.3% (55.5 Revenue Miles/Day)
  - o *Year-To-Date Total* Up 1.4% (249,643 Total Revenue Miles)
- Boardings Down 1.0% (-3.7 Boardings/Day)
  - o Year-To-Date Total Up 3.3% (68,465 Total Boardings)

### Cherriots Shop and Ride

Includes dial-a-ride and shopper shuttle.

- Revenue Hours Down 6.6% (-1.4 Revenue Hours/Day)
  - o *Year-To-Date Total* Up 8.8% (4,074 Total Revenue Hours)
- Revenue Miles Down 7.0% (-14.8 Revenue Miles/Day)
  - o *Year-To-Date Total* Up 15.0% (44,301 Total Revenue Miles)
- Boardings Down 11.6% (-4.6 Boardings/Day)
  - Year-To-Date Total Up 8.6% (7,756 Total Boardings)

#### **Cherriots LIFT**

#### **Paratransit**

- Revenue Hours Up 4.9% (11.8 Revenue Hours/Day)
  - o *Year-To-Date Total* Up 0.9% (47,941 Total Revenue Hours)
- Revenue Miles Down 5.3% (-174.5 Revenue Miles/Day)
  - o *Year-To-Date Total* Up 4.5% (628,254 Total Revenue Miles)
- Boardings Down 4.0% (-22.8 Boardings/Day)
  - o *Year-To-Date Total* Down 1.3% (102,894 Total Boardings)

### **BOARD MEETING MEMO**

Agenda Item X.X

**To:** Board of Directors

**From:** Roxanne Beltz, Trip Choice Program Coordinator

Steve Dickey, Director of Transportation Development

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Cherriots Trip Choice FY 2018-2019 – 3rd Quarter Report

#### **ISSUE**

The 3rd quarter report of the FY 2018-2019 Cherriots Trip Choice Program.

### **BACKGROUND AND FINDINGS**

Cherriots Trip Choice program activities, goals and metrics are structured around the 2018-2019 ODOT approved work plan which details specific goals and activities to be accomplished during the year.

### FINANCIAL IMPACT

None

#### RECOMMENDATION

None

#### PROPOSED MOTION

Information Only

During the 3rd Quarter of FY 2018-2019, Cherriots Trip Choice continued its work utilizing the ODOT approved work plan which includes reporting based on four overarching goal categories; Awareness & Understanding, Safety, Expanded Markets and Congestion & Construction Mitigation. Under each goal we have a variety of projects and programs, however not all goal areas or all projects will be addressed every quarter.

#### **AWARENESS AND UNDERSTANDING**

### **Employer Outreach**

This quarter, staff focused on restructuring the Group Pass Program (formerly known as the Employer Pass Program). Appropriate communications were done to the existing employers that are participating in GPP and discussed new program elements and processes (billing, pass distribution, provided usage reports, updated agreement contract) that will start in June 2019. All participating employers were excited about the upcoming enhancements and look forward to a more efficient billing process.

These employers included:

- The Book Bin
- The Gilbert House
- Manpower

Other Q3 program outreach was done to the following employers:

- Sackcloth & Ashes
- Pioneer Trust Bank
- Salem Keizer Education Foundation
- Amazon site PDX7
- Willamette Tax Relief
- Marion County Health
- Willamette University
- Fred Meyer South Salem
- Ace Hardware South Salem

### **Community Outreach**

Staff attended the following outreach events in the third quarter.

- Washington Elementary School Resource Fair
- Cherriots Job Fair
- Salem-Keizer School District Wellness Fair
- Bike Walk Independence Monmouth

During these events we distributed Regional bicycle maps, Wander Walks maps, 200 blinking lights, and 150 bike light sets.

During the 3rd Quarter of FY 2018-2019, Cherriots Trip Choice continued its work utilizing the ODOT approved work plan which includes reporting based on four overarching goal categories; Awareness & Understanding, Safety, Expanded Markets and Congestion & Construction Mitigation. Under each goal we have a variety of projects and programs, however not all goal areas or all projects will be addressed every quarter.

#### **Social Media**

We posted 26 times on our Facebook and Instagram pages – including sharing events staff attended, sharing safety tips while biking in the winter, educating on park and rides, celebrating the spring weather with pedestrian safety tools, and promoting ODOT's Annual Transportation Options Survey. Another post featured the series of Wander Walks maps that staff created and this reached 2,656 people with 120 post engagements and 9 people shared this campaign. Overall people reach for Q3 was over 6,800 people.

### Valley VanPool

Valley VanPool currently supports 45 vanpools that serve more than 400 commuters in the Willamette Valley. Staff met with Valley Vanpool partners and discussed a rebranding strategy. A long term goal of this program is to grow and expand to a statewide vanpool service. After a lengthy discussion, the partners decided to rename the program as "Vanpool Northwest" and will launch later in the fall of 2019. This timing will align with the rebranding and launch of the new statewide ride-matching tool, Get There. In the coming months, the partners will be developing a marketing and outreach strategy, as well as, establish new processes with the current vendor to streamline reporting and communications with the vanpool riders.

#### **Student Poster Contest**

Over 350 posters from 15 area high and middle schools were entered in this year's Cherriots Poster Contest. Judges chose 14 winning posters, 7 from each category. Trip

Choice staff presented information about the program and recognized winning students and their teachers at school assemblies and classroom visits. For the first time in contest history, all 3 of the winning high school students were from the same school. Trip Choice staff arranged to have the 3 posters displayed on a bus that was taken to a school assembly.

The winning images will be used to in the 2020 Cherriots calendar that will be mailed out in December 2019.

#### **DRIVE LESS CONNECT**

3<sup>rd</sup> Quarter 2018-2019

Drive Less Connect is Oregon's secure, easy-to-use online ride-matching tool that matches people who want to share the ride to work, school or play.

Total active users 552	Carpool trips 852
Total registered users 5,702	Did Not Work trips 700
New users 100	Vanpool trips
Non SOV Miles Logged 92,270	Walk trips 1,961
Bike trips 645	Telework trips 244
Bus trips 499	Drive Alone trips 431
Ridematching statistics	
Ridematch search performed 11,413	
Ridematch search with no results 2,794	
Ridematch requests sent4,667	

#### **SAFETY**

## **Bicycle Outreach and Education**

Staff partnered with the City of Independence to host a bicycle and pedestrian safety fair where they distributed 50 bicycle light sets.

#### **EMERGENCY RIDE HOME**

19 new people enrolled and approved into the Emergency Ride Home program and 5 trips were utilized.

#### **EXPANDED MARKETS**

This last quarter the team worked with a variety of groups within our expanded markets. One of these groups included Willamette University students working on a behavior change project. The desired outcome of this group project is to assess transit usage among WU's student population, identify possible barriers, and to develop a strategic plan to encourage students to utilize public transportation. Outreach events will take place in the spring on campus and a student survey will be conducted. Staff will continue to be a resource for the student group and will ensure their messaging is consistent with the language and communications of the district.

#### **PROGRAM WORK**

#### **Open Streets Salem**

The Cherriots Trip Choice team will be returning to a leadership and management role for "Open Streets Salem" this year. Over the years leadership has never been clearly defined, and the events purpose has only been partially realized. Open streets events are intended to show what streets could be like if they were available for people to walk, ride bikes, skateboards, etc. Our hope is to have some of the best activities from previous years, but also include demonstration projects like protected bike lanes and parklettes.

The route is still pending city approval, but will likely include the Transit Mall, several low traffic streets and Aldrich Park. As an added enhancement the event will take place in conjunction with the launch of Cherriots Saturday service on September 7<sup>th</sup>.

#### ONGOING PARTICIPATION EXTERNAL

Part of our program success depends on our ongoing participation in community and industry groups where we can make valuable connections and learn best practices.

- Board member of the Association for Commuter Transportation (ACT)
- Board members of the Transportation Options Group of Oregon
- Education and Community Outreach Committee –Salem Bike Club
- Just Walk Salem-Keizer Steering Committee
- Open Streets Salem Steering Committee
- Quarterly ETC networking and training lunch
- Safe Routes To School Steering Committee
- Salem Committee for the Safer Crossings Program
- Salem for Refugees Transportation Action Committee
- Salem Pedestrian Safety Group
- Salem-Keizer Active Transportation Networking Group
- Statewide TDM and ToGo quarterly meetings

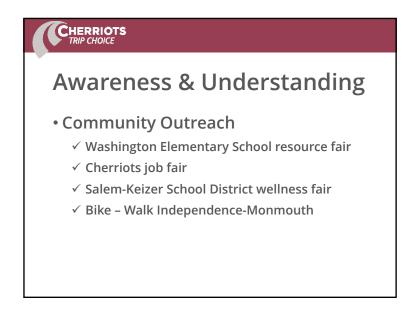

- Valley VanPool Partnership
- Willamette University Sustainability Networking group

### **ONGOING PARTICIPATION INTERNAL**

- 40<sup>th</sup> Anniversary Celebration
- Sept 7<sup>th</sup> Saturday Service Start Committee
- Banquet Committee
- Bus Roadeo Committee
- Connects Committee
- Sustainability Committee
- Wellness Committee

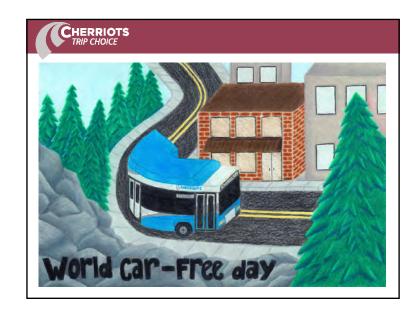

2

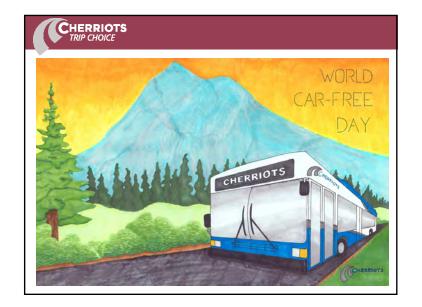

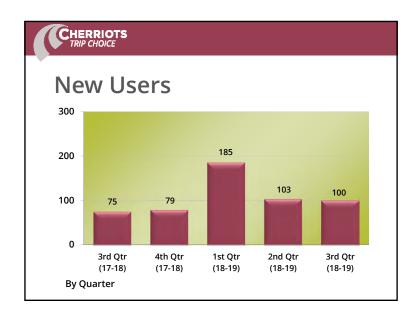

# Awareness & Understanding

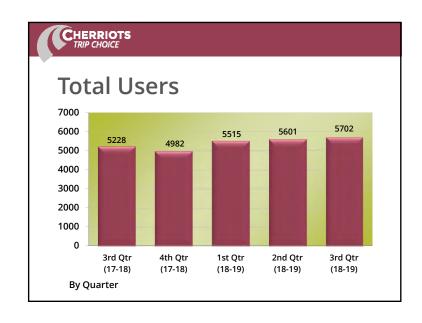

- Student Poster Contest
- 350 Posters
- 15 area high and middles schools
- 14 winning posters

3

# **BOARD MEETING MEMO**

Agenda Item H.4

**To:** Board of Directors

**From:** Al McCoy, Director of Finance/CFO

**Thru:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** FY2019 Third Quarter Finance Report

#### **ISSUE**

Shall the Board receive the Third Quarter Finance Report for FY2018-19?

#### **BACKGROUND AND FINDINGS**

The Board adopts a Budget for the District on an annual basis. The Budget is a plan that contains District resources and requirements.

The quarterly Finance Report provides information about how that plan is being implemented and includes statements for the General Fund, Special Transportation Fund, and Capital Project Fund. The Finance Report also contains a statement of budget to actual on a non-GAAP basis that shows by fund the legal appropriations by category with actual amounts and variances.

In the *General Fund*, *Total Operating Revenues* are at 65% of the annual budget. This includes *Passenger Fares* at 66% of total budget, under the 75% level that would be anticipated to be received. The District has received slightly more than the total annual projected *Property Taxes* by the end of the third quarter this year. Most of the property taxes are received in November when tax payers take advantage of the discount offered to those who pay the tax at the first due date. Oregon State In-Lieu payments are 46% of total budget because only two quarters payment had been received by end of March. The payment for the third quarter was received on April 2, which puts us at 74% of annual projected revenues. *Advertising* continues to perform above the budgeted level, at 131% of the annual budget.

The *Total Operating Expenditures* of the General Fund are slightly over budget at 76% of total annual budget. Divisions range from Communications at 67% to Operations at 77% of the annual budget expended.

In the *Transportation Programs Fund*, total fund expenditures are at 75% of total annual budget. Two *Operations* programs, *Cherriots Lift* and *Cherriots Shop & Ride*, have expended more than three-quarters of the annual budget at 79% and 89%, respectively. *Cherriots Lift Operations* is over budget due to an increased allocation of costs from the Call Center, which was not budgeted. *Cherriots Shop & Ride Operations* is over budget because contracted transportation costs have exceeded budget each month. Conversely, in Transportation Development, Special Transportation Coordination has only expended 30% of its annual budget, due to the timing lag in reimbursing our subrecipients for their third quarter's program costs.

Revenues in the *Capital Project Fund* remain at last quarter's 17% of annual budget. They lag expenditures until we are reimbursed by the granting federal or state agency. In total, *Capital Project Fund* expenditures are 25% of the annual approved budget. Capital outlays for the KTC Signalization project, Regional vehicles, visitor intercom and access control, and several smaller projects will incur costs in the final quarter of the year; however, there are other projects that have been delayed until next fiscal year. A significant level of underspending is projected for the Capital Project Fund at fiscal yearend.

#### FINANCIAL IMPACT

None. For informational purposes.

#### RECOMMENDATION

Staff recommends that the Board receive and file this Third Quarter Financial Report for FY2018-19.

#### PROPOSED MOTION

None.

# **BOARD MEETING MEMO**

Agenda Item J

**To:** Board of Directors

**From:** Allan Pollock, General Manager

**Date:** May 23, 2019

**Subject:** Board Member Committee Report

#### **ISSUE**

Shall the Board report on their committee participation and meetings attended?

#### **BACKGROUND AND FINDINGS**

Board members are appointed to local, regional, or national committees. Board members also present testimony at public hearings on specific issues as the need arises. After these meetings, public hearings, or other activities attended by individual members on behalf of SAMTD, time will be scheduled for an oral report/update. The following activities have designated board member representation:

<u>Board/Committee</u>	<u>Director(s)</u>
Special Transportation Fund Advisory Committee (STFAC)	P: Director Jerry Thompson A. Director Colleen Busch
Mid-Willamette Area Commission on Transportation (MWACT)	P: Director Marcia Kelley A: Director Kathy Lincoln
Mid-Willamette Valley Council of Governments (MWVCOG)	P: President Robert Krebs A: Director Jerry Thompson
Salem-Keizer Area Transportation Study Policy Committee (SKATS)	P: Director Kathy Lincoln A: Director Colleen Busch
Oregon Metropolitan Planning Organization Consortium (OMPOC)	P: Director Kathy Lincoln A: Director Colleen Busch

#### **FINANCIAL IMPACT**

None

#### **RECOMMENDATION**

Receive and File

#### **PROPOSED MOTION**

None
