

March 21, 2025**RECRUITMENT ANNOUNCEMENT
Vehicle Maintenance Supervisor****Position Salary Range: \$81,991.37 - \$116,900.09
Excellent Benefits Package****Open Until Filled****Who We Are:**

The Salem Area Mass Transit District, known as Cherriots, is a great public transit system. We work hard every day to give our customers the best experience possible. We provide local, regional, and paratransit services in Marion and Polk counties. But we do more than just transportation. We help people get to jobs, shopping, and schools. We help businesses find more workers. We ensure that people can enjoy recreational, social, faith-based, and other activities without needing a car.

Cherriots is an equal opportunity employer that aims to create a workforce that reflects our diverse community. We are committed to creating an inclusive environment for all employees and encourage individuals from all backgrounds to apply.

About the Role:

Under the administrative direction of the Maintenance Manager, the Vehicle Maintenance Supervisor performs a wide variety of duties of moderate to high complexity, providing first-line supervision of employees responsible for the repair and maintenance of District vehicles and equipment.

Duties:

- Supervise a team of maintenance employees: provide necessary training; monitor performance to ensure compliance with District policies, procedures, and maintenance standards and practices; recognize good work; provide corrective counseling as needed; conduct performance evaluations; administer discipline; and recommend termination if necessary.
- Oversee and, when necessary, assist in diagnosing, maintaining, and repairing District vehicles and equipment.
- Schedule daily buses for repairs, preventive maintenance inspections, cleaning, tire work, and special events.

- Compile and update various computerized records (e.g., work orders, repair records, maintenance records, fueling records, road calls, etc.); prepare reports as needed.
- Estimate accident damage or coordinate with outside body shops for estimates.
- Investigate and document employee or customer complaints regarding District vehicles or equipment, and resolve or guide them toward resolving problem situations.
- Participate in the screening and selection process for maintenance employees; recommend new hires.
- Participate in the Maintenance Department's budget preparation process and submit recommendations for reducing costs and increasing efficiency.
- Assist in establishing departmental safety and security procedures and enforce these procedures to reduce or minimize departmental safety and security risks.
- Provide assistance and support to the Maintenance Manager by working on special projects or committee assignments.
- Regular and reliable attendance is an essential function of this position. This role requires that employees be present and engaged during assigned work hours to effectively collaborate with team members, customers, and fulfill operation needs. The ability to consistently adhere to a defined work schedule, and be present onsite, is crucial to the successful performance of this role's job duties and responsibilities because the essential duties of this role require using tools and/or equipment physically located onsite.
- Perform additional duties as assigned.

What You Will Need to Be Successful in this Role:

- Extensive knowledge of gasoline and diesel maintenance and repair, as well as shop safety practices and federal and state regulations governing vehicle maintenance and safety. Ability to rapidly gain considerable knowledge, through on-the-job training, of compressed natural gas engine and fuel systems maintenance and repair.
- Considerable knowledge of administrative and supervisory practices.
- Demonstrates considerable skill in leading and working constructively with subordinate staff, as well as effectively supervising staff.
- Communicate complex subjects and sensitive information concisely and logically, both orally and in writing.
- Interact with other employees and the general public using courtesy, tact, and sound judgment and act as a positive representative of the District.
- Work cooperatively with others; be respectful of co-workers; promote teamwork.
- Collect, analyze, and interpret data to recommend sound policies and practices based on the findings.
- Maintain confidential information.
- Be self-starting and proactive.
- Produce quality work while meeting time and budget commitments.
- Considerable skill in using personal computers and Windows-based word processing applications.

- Learn fleet maintenance software.
- Perform job functions safely.

Education and Experience:

- High school diploma or GED with some college-level course work or training in diesel mechanics. **OR** Any satisfactory equivalent combination of related experience and training that provides the required knowledge, skills, and abilities listed above.
- Four years of experience as a diesel mechanic, including two years in a supervisory capacity. **OR** Any satisfactory, equivalent combination of related experience and training that provides the required knowledge, skills, and abilities listed above.
- Experience navigating a labor union environment is preferred.

Special Requirements:

- Oregon driver's license is required. Oregon commercial driver's license (CDL) is preferred. **We encourage candidates without a CDL to apply.** Upon hire, you must obtain a commercial learner's permit with a passenger endorsement, no air brake restrictions, and a valid medical examiner's certification (also known as a med card) before your first day of work. When you begin work, we will assist you in obtaining your CDL during our paid training program.
- Clean driving record.
- Pass a drug test (including marijuana) and criminal background check.

Physical Requirements

- A person must be able to walk, stand, and sit for extended periods; have the ability to see, hear, and speak effectively; and use their hands for typing, handling objects, and controlling tools or equipment, as well as use their hands and arms to reach for items.
- Heavy manual labor. It may require exerting up to 150 pounds of force occasionally. Routinely requires lifting items weighing up to 50 pounds. Occasionally requires moving or lifting items weighing up to 100 pounds.

Working Conditions

- Working conditions typical of a maintenance shop environment, with exposure to noise, dust, heat, oil, diesel fuel, solvents, and other hazardous materials.
- Some exposure to inclement weather conditions.
- Subject to varying shift schedules, including emergency callbacks.
- Must travel occasionally to attend meetings and conferences.

To Apply:

Applications are preferred over resumes.

If you have any questions regarding the application or selection process, please contact the Human Resources Specialist at recruitment@cherriots.org or 503-361-7502.
